

Pete Tridish, the Technical Director of the Prometheus Radio Project, and Kate Coyer, a volunteer for Prometheus, made an Ex Parte presentation at 3 pm on May 18th of roughly 25 minutes to Stacy Robinson Fuller, Mass Media Legal Advisor to Commissioner Abernathy of the Federal Communications Commission on February 26th regarding the Commissions policy on the licensing of translators and the relationship of current Commission policies to LPFM. A similar Ex Parte presentation was made for Catherine Crutcher Bohigian - Legal Advisor on Media Issues to Commissioner Martin, at 4 pm the same day. The issues covered at both meetings were the same, and they are the same as what is raised in the attached letter.
